

# Basement Private House 1

ABOUT THIS PROJECT:		
<b>Market Segment:</b> General Construction	<b>Location:</b> Kyiv region, Ukraine	<b>Products Used:</b> Xypex Concentrate Xypex Patch'n Plug

The basement was repaired and protected against water ingress using Xypex Concentrate and Xypex Patch'n Plug. Xypex Patch'n Plug was applied to waterproof the joints between concrete blocks, ensuring a tight and durable seal. Xypex Concentrate was then used for surface treatment of the concrete blocks, providing reliable long-term waterproofing.
